

FREEDOM RELEASE PHASE ONE

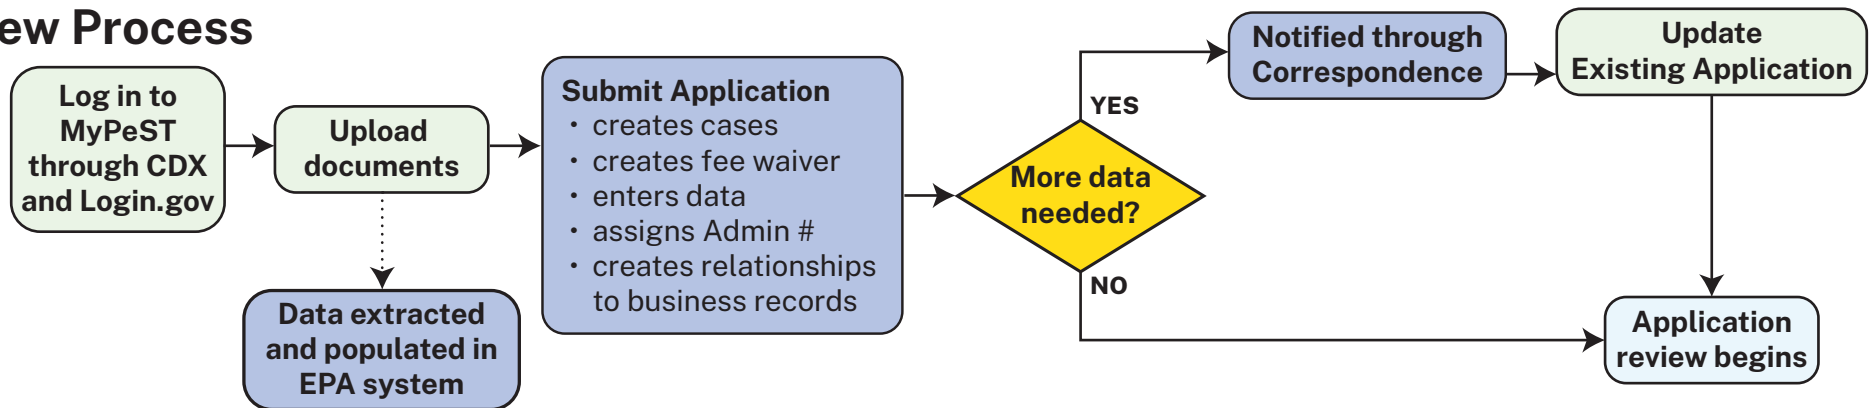

Go Live: Mon, Jul 6, 2026

System Cutover: Wed, Jul 1 — Sun, Jul 5, 2026
System unavailable during this period

Current Process

New Process

What this means for you — With the new functionality in MyPeST you have more control over your submissions in a streamlined process. Updating existing applications is easier and more direct. Communication is automatic and occurs in MyPeST reducing email.

How to Get Help

Issues creating account in CDX: Call 888-890-1995 or visit the FAQ at cdx.epa.gov/FAQ#CDX

Issues creating account in Login.gov: Visit login.gov/help

Additional Support: Email OPPSupport@epa.gov When submitting a support request, please include: your name and organization, a brief description of the issue, the action you were trying to complete, any error message received, and a screenshot if available
